5.3.3.2 (a) and 5.3.8
DATE : 02/07/2017

APPLICABILITY	Vehicle movement at Bahrain International Airport (BIA)
IMPLEMENTOR	MOI/Bahrain Airport Company
ENFORCEMENT	Bahrain Airport Company
OVERSIGHT	Aviation Safety and Security Directorate Civil Aviation Affairs - Bahrain

Application

Due to a review of security at BIA, the following access rules shall be applied as of 2nd July, 2017:

1. All vehicular entry and exit at BIA shall be via the gate named on each vehicle's permit.
2. Vehicles issued with **MULTI vehicle permits** shall be permitted to enter and exit via the named gate/s.
3. Vehicles issued with **RESTRICTED vehicle permits** shall remain airside (no gate named). Access to landside (when necessary in order to carry out maintenance, etc.) shall only be granted when accompanied by the appropriate single-exit permit (please refer to the attached form ASSD-OF-07-ID). Once they have exited, such vehicles may remain landside for as long as required, and then re-enter BIA. Further exit would require another permit.
4. In case of an emergency, appropriate measures shall be applied as per the Airport Security Plan and the National Civil Aviation Security Program. The Airport Operator's Security Department shall ensure facilitation of access in conjunction with relevant authorities.
