

AERONAUTICAL CIRCULAR - AC/ALD·12/2022

AC/ALD·GEN/12/2022
17 May 2022

IN THIS ISSUE

AIR NAVIGATION TECHNICAL REGULATIONS AMENDMENTS

The Kingdom of Bahrain's aviation safety requirements are contained in the Air Navigation Technical Regulations ANTR Volume 1 – Flight Safety. To ensure the Bahrain Civil Aviation Affairs has the most up to date aviation regulatory system and continues to meet its regulatory responsibilities to the highest standard, ANTR V (GENERAL AIRWORTHINESS REGULATIONS) was amended to comply with applicable ICAO Annex SARPs and EASA regulations.

The Notice of Proposed Amendment (NPA) continues the process of formal public consultation on the proposed amendment of the ANTR, issued with this Aeronautical Circular on the MTT website (www.mtt.gov.bh).

Your review of the NPA 05/22 and timely response by 25 May 2022 would be appreciated. Kindly note that no response within the allocated time will be considered as acceptance.

Acting Undersecretary for Civil Aviation Affairs

Recipients of new Aeronautical Circulars are asked to ensure that these are copied to their 'in house' or contracted organisations, to relevant outside contractors, and to all members of their staff who could have an interest in the information or who need to take appropriate action in response to this Communication.
