UPDATE of Air Navigation Technical Regulation Volume II Part 17 Security

To ensure the Bahrain Civil Aviation Affairs has the most up to date regulatory system and continues to meet its regulatory responsibilities to the highest standard, the above named Regulation has been updated in order to reflect ICAO and international standards, in line with the Kingdom's requirements.

The update of this ANTR will:

1. Translate Amendment 15 of ICAO Annex 17 into national Regulations;
2. Facilitate the updating of CAR002.

The attached Notice of Proposed Amendments (NPA) continues the process of formal public consultation on this proposed introduction.

Your review of the NPA 02/17 and your timely response by 7th October 2017 would be most appreciated.

Assistant Undersecretary Safety and Aviation Security

Recipients of new Aeronautical Circulars are asked to ensure that these are copied to their 'in house' or contracted organisations, to relevant outside contractors, and to all members of their staff who could have an interest in the information or who need to take appropriate action in response to this Communication.
