

OPERATION INSTRUCTION 03/17

Stakeholder Review of Information Published via MTT Website

With the migration to electronic notification and dissemination of aviation-related information, all stakeholders shall forthwith establish adequate procedures to review the MTT website www.mot.gov.bh to enable capture of pertinent information in a timely manner. This review shall be conducted at least weekly.

It is the stakeholder's responsibility to monitor the website for relevant information and changes, and any further internal dissemination of information that may be required.
